**FORT THOMAS EDUCATION  
FOUNDATION ANNUAL APPEAL**

*Supporting our Teacher Grant Program*

Dear Friend,

***Fort Thomas Ranked Top Among  
K-12 Districts on KCCT Test***

***84 Highlands High School Students  
Named Advanced Placement Scholars***

It's been another amazingly successful year in and out of the classroom for the Fort Thomas Independent Schools system!

While we have come to expect the excellence of our schools, their success does not come easy. The reality is that finances are tight, and some items cannot be covered by the school district's operating budget. As a community we urge you to come together to ensure that all of the needs of our students are addressed. *Simply put, they are the reason we ask.*

Since 1992, the mission of the Fort Thomas Education Foundation has been to support the excellence of our public schools. By contributing to our Annual Appeal, you directly support our Teacher Grant program, which helps fund innovative educational programming, activities, and equipment that the District is unable to provide.

Nearly \$340,000 in educator grants have been awarded by the Foundation since 2001 – approximately \$150,000 in the past three years alone! In fact, nearly every student in the Fort Thomas Independent system – from primary to high school – will in some way directly benefit from a FTEF grant during their school career.

The partnership between a strong community and its public school system is undeniable. Contributing to the Foundation's Annual Appeal is a meaningful way to have a direct, positive impact upon the success of our school system. We sincerely thank you for your generosity.

Sincerely,

*Beth*

Beth Hudepohl
